Anne,

Liz wants for me to send her the orphan share policy. I mentioned to her on the phone our view that an orphan share is limited to 25% of ROD costs, which is not a large amount here. I found a number of policies on the web site but I am not 100% sure that I am looking at the correct documents. Let's discuss this.

Are you available tomorrow?

Brad

Subject: Orphan Share policy

Brad, can you please send me the orphan share policy that you mentioned in our call last week.
Thanks, Liz
